

“Slippery Slide” to make its debut at the 2017 MudSport Event

By Southeast Health Group

La Junta’s annual Mud Run is scheduled for Saturday, April 22, 2017, starting at 9:00 am at 711 Barnes Avenue. The event features the Main Mudder, which is the full obstacle course from 711 Barnes through the arroyo down to the Arkansas River and back. There will also be a Mini-Mudder, which is a shorter version of the main obstacle course, and a Micro-Mudder for young children. The Corporate and Team Challenge heat offers the winning team a trophy and bragging rights.

Runners must pre-register online by April 4th, 2017 to get an event t-shirt and swag bag. Costs for this year’s event are \$15 for youth 12 & under, \$30 for ages 13 & up, and \$150 for Corp./Team Challenge. The first 350 runners will get a medal when they cross the finish line.

Southeast Health Group has hosted the Mud Run for the past five years. “We’ll have some exciting new obstacles this year,” said Barry Shiohita, event organizer.

“The slippery slide will be a 40’ wet slide located at the river. There will also be a rope climb and a two-line sway. The ‘Mini Mudder’ will be extended in length so that participants can access some new obstacles.”

Participants will have the opportunity to tour Peer 613, a community resource for people in recovery from mental health and substance use disorders. The Peer House will be having a drawing for big prizes. If you take a five minute tour of the Peer House, you will be able to put your name in an additional five times for the door prizes.
